were not accounted for and suggested that a stop gap budget ordinance could be
adopted. Mr. Brandon Harrelson advised that the pay raises would be an issue that
would have to be discussed after the franchise fee implementation. He stated that a
maintenance plan would have to be written before the franchise fee could be put in
place and that document would not be ready before the August meeting. He asked if

franchise fee could be established. Mayor Harrelson advised that he was in favor of it
to allow a way to provide the employees the pay increases that they deserve.

for the transfer of revenue from Water Sewer Fund to the General Fund. He stated
